

Science Club Field Trip Form

This year the Science Club has collected food for local food pantries, collected, counted and submitted "BoxTops for Education", promoted Mole Day to the student body. Your young adult has earned the privilege to participate in the Science Club field trip this year, which is planned for April 20, 2016. The trip will be to visit the St. Louis Zoo and while attending the zoo, the students will participate in a scavenger hunt and see the matschie's tree kangaroo that we have sponsored.

Respectfully,

Mrs. Colette Adrian

-----

\_\_\_\_\_ I give my student, \_\_\_\_\_ permission to attend the field trip listed above.

\_\_\_\_\_ I would prefer that my student remain at school and attend their classes as usual.
